PLANNING TEAM

TRIA Architecture, Inc.
JSD Professional Services, Inc.

Executive Summary

TRIA Architecture along with JSD Professional Services has conducted a planning tour of the existing park sites for the City of Morris, Illinois to observe, and become generally familiar with, the current conditions, patterns of use, park operations and maintenance concerns of each site and facility. The study includes an assessment of the existing site infrastructure, topography, vegetation, access, circulation, parking, drainage, wetlands, current land use, play fields and exterior recreational spaces, open space, development constraints, and other conditions potentially affecting the future site development and intended uses. We also have assessed the existing buildings and structures at each park site relative to use, wear, conditions, and maintenance.

We performed a visual survey of the existing park sites. No destructive testing or testing of materials on site was performed. Also, no assessment of IT systems, security, access control, or pool equipment was included in the survey. The results given within this report are based solely upon the findings of this

visual survey. The park sites included in the assessment are as listed below:

1. **Bristol Pointe Park**
2. **Canal Port Park**
3. **Chapin Park**
4. **Field of Saratoga Park**
5. **Goodwill Park**
6. **Goold Park**
7. **Kiwanis Park**
8. **Lions Park**
9. **McKinley Park**
10. **Riverfront Park**
11. **Rockwell Estates Park**
12. **Rotary Park**
13. **Tag-A-Long Dog Park**
14. **West Side Park**

The report is divided into four chapters, Park Assessments, Facility Assessments, Visioning and Recommendations.

Chapter 1: Park Assessments

This chapter presents an explanation of park evaluation criteria and includes a thorough review of the park sites within the City of Morris system. Consulting team members reviewed the parks and provided assessments of the general conditions of each site. The park assessment includes a 2021 aerial image of the park, a brief overall description of the site, discussions regarding the amenities and features of the park, photos of select elements and park features, and a summary of recommendations for park improvements. Overall general park recommendations that were noted include inaccessible play areas (non-ADA compliant), play equipment and apparatus structures beyond useful life cycle and not meeting Consumer Product Safety Commission (CPSC) guidelines, and deteriorating fields, courts, and parking area. In addition, it is recommended that the City of Morris develop a set of design standards for improvements so that park amenities can be developed consistently, efficiently, and create a standardized brand for the City.

Chapter 2: Facility Assessments

Chapter Two presents an overview of each of the buildings located within the park sites listed above. The largest building in the park system is the main pool building at Goold Park. This is also the oldest building and the one in the most need of repair and upgrades. In addition to the individual items listed in the report, this building is lacking in modern amenities and does not meet the requirements of the Americans with Disabilities Act. TRIA recommends the City explore expanding or replacing the main pool building to provide a modern accessible facility. The remainder of the buildings consist of an amphitheater also at Goold Park and a series of Restroom buildings distributed among several park sites. These buildings are newer and are generally in good condition with only minor repairs or upgrades needed.

Chapter 3: Visioning

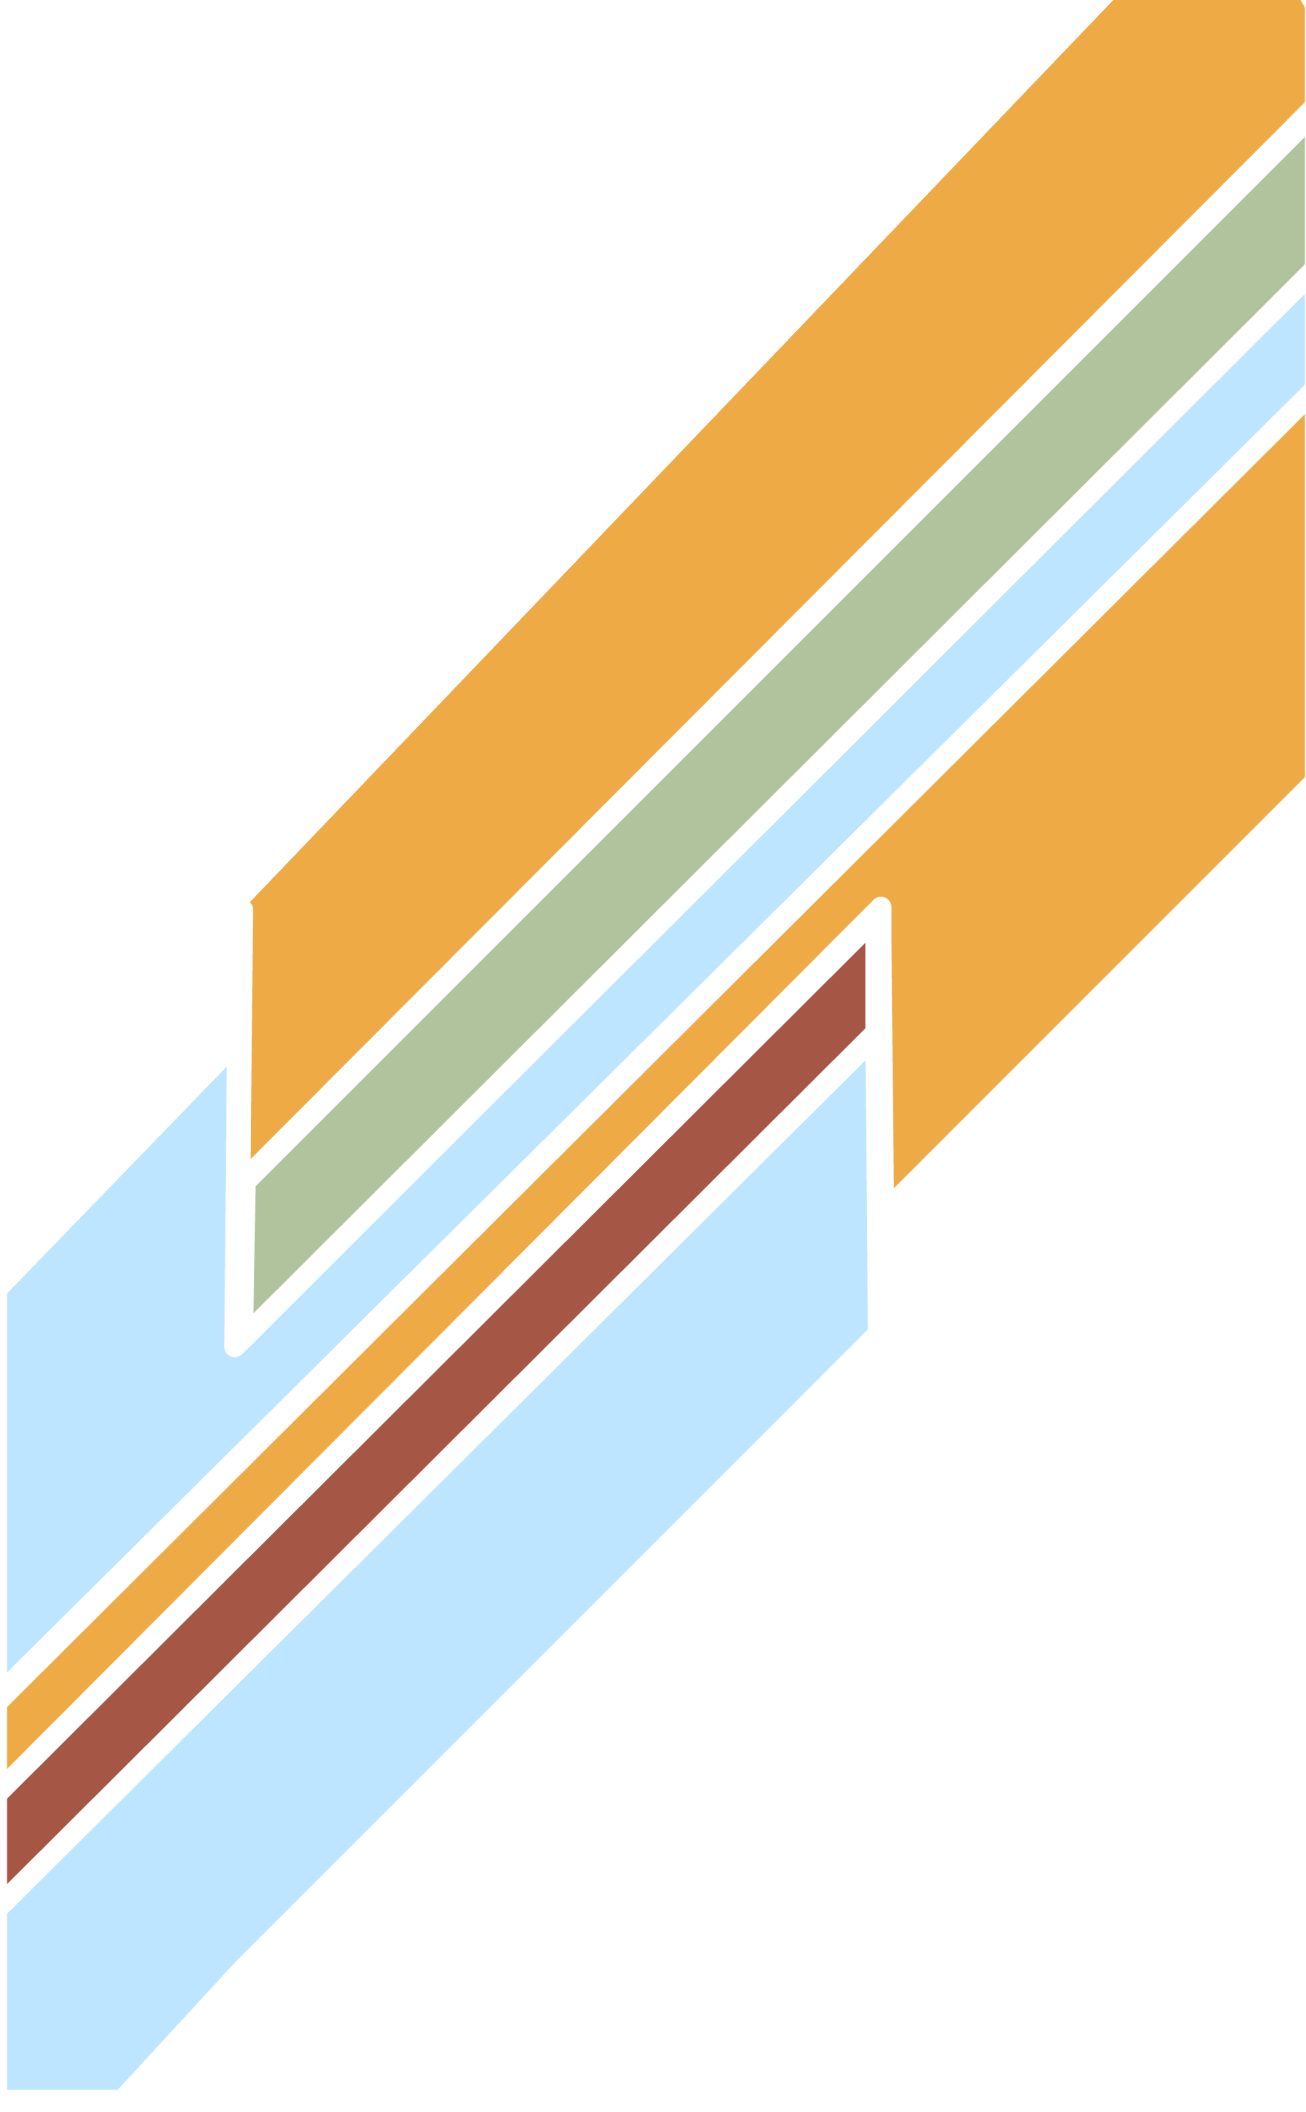

Chapter 3 summarizes the Visioning Phase of the Parks Master Plan. The public engagement consisted of an in-depth, open process that involved the integration of staff, user groups, and residents. The findings are summarized and represent the community's vision for the future of the City. A variety of methods were used:

- **Community Survey (Online)**
- **Focus Group/Stakeholder Meeting**
- **Staff Workshop**

Chapter 4: Recommendations

This chapter provides recommendations for enhancing the City of Morris' parks. These recommendations are the blueprint for action and are organized into short-term, mid-term, and long-term priorities.

CHAPTER 1

PARKS ASSESSMENT

**INTENTIONALLY LEFT
BLANK.**

Introduction

The purpose of the park inventory and assessment was to gain a comprehensive and accurate picture of the opportunities available to the residents. The inventory process was conducted by the consultant team during the month of April 2022. An average of one hour was spent on each park property preparing a general inventory of amenities, assessing their condition and noting potential improvements for each site.

Existing conditions of site furnishings, recreation amenities, court surfaces and equipment, athletic fields, fencing, and turf grass were documented. The “comfort and convenience” elements were analyzed, including the availability of adequate shade, seating, parking, restrooms, etc. The overall design and ambiance of the site was also assessed.

The park assessment includes a 2021 aerial image of the park, a brief overall description of the site, discussions regarding the amenities and features of the park, photos of select elements and park features, and a summary of recommendations for park improvements. Park maintenance was also considered in the evaluation.

Park Evaluation Criteria

CHAPTER 2

FACILITY ASSESSMENT

**INTENTIONALLY LEFT
BLANK.**

Introduction

TRIA Architecture performed a visual survey of the park facilities to assess the existing condition of each building relative to its intended use. The surveys were completed in April and May of 2022 and were done in conjunction with the park assessments described in Chapter 1. No destructive testing or testing of materials on site was performed at this time. The results given within this chapter are based solely upon this visual survey.

Refer to the following pages for noted deficiencies and corrective measures for each item recommended to be addressed. Estimated costs listed are in 2022 dollars. The assessments include all elements of each building that are readily accessible except for the pool equipment at Goold Park which was excluded from this assessment. Only items with a cost of \$1000 or more to repair were included in the report.

The report is divided into the following:

- Chapin Park Restroom Building (\$2,500 in proposed repairs)
- Fields of Saratoga Restroom Building (\$20,500 in proposed repairs)

Goold Park Pool Facility

Existing Conditions

The outdoor pool facility at Goold Park was originally constructed in 1921. Since that time an equipment building was constructed to house the pool equipment as well as smaller accessory structures. The main building houses offices and locker rooms and serves as the primary public access to the pool deck.

The main building is constructed of load bearing concrete masonry walls with wood roof framing and an asphalt membrane roof system with a corrugated plastic

skylight system at the peak. The accessory buildings also utilize load bearing concrete masonry walls with asphalt shingle roofs. The main pool building is dated in appearance, has poor circulation, and does not provide adequate accessible amenities for people with disabilities. It does not have any heat and can not be closed to weather. Therefore, it can only be used in the summer season. TRIA would recommend the Owner investigate replacing or expanding the main building to provide a modern accessible pool support facility with added amenities like concessions and covered outdoor areas for eating.

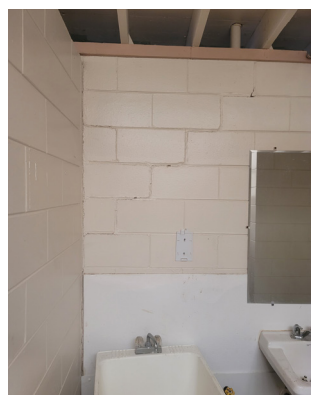

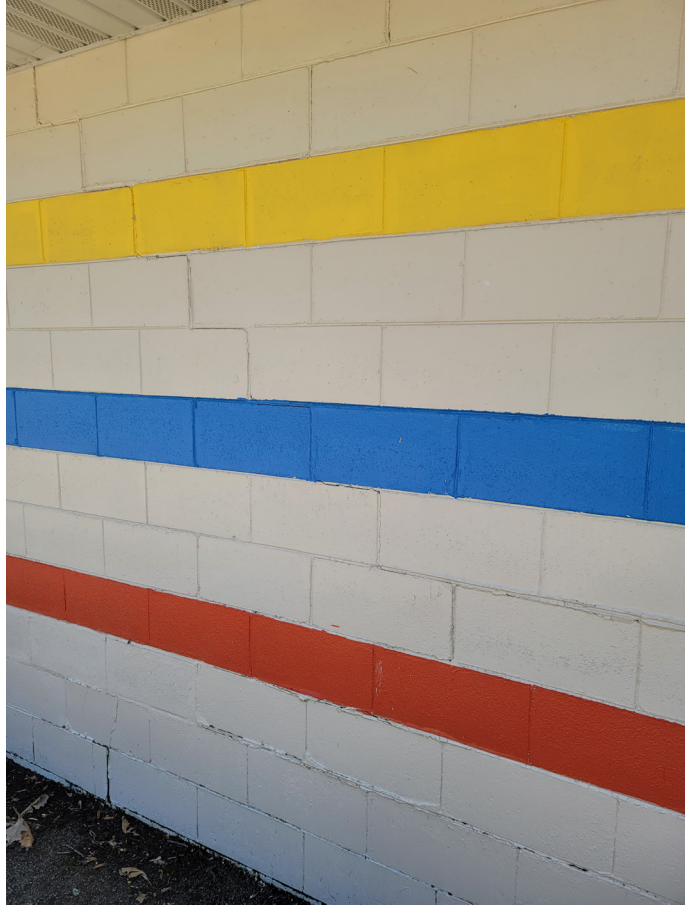

The equipment building and other accessory structures are much newer and are generally in very good condition. The pool, pool deck, and pool accessories appear to be in good condition. The pool lacks any accessible entries as required by the 2010 Americans with Disabilities Act. One of these entries needs to be a pool lift and the other can be a ramp or other means of accessible access.

the overhead door to the storage area would not lock so the room is not secure. Third, the storage room is used to store gas power lawn equipment, but the room is not fire separated from the restrooms. The plywood ceiling should be replaced with fire rated gypsum board to provide a separation.

Also, there are several shingles on the roof that are damaged, likely by high winds, and in need of replacement. Finally, there is more pronounced cracking in the floor slab and the interior masonry walls in the Women's restroom that could indicate settling of the building structure.

TRIA recommends further investigation by a structural engineer beyond the scope of this assessment.

VISIONING

Visioning

A critical component of the Parks Master Plan is effective public engagement.

The planning team facilitated a thorough engagement process that ensured the Parks Master Plan is grounded in community, stakeholder, and staff input. Key elements in the visioning process included:

- **Stakeholder Focus Group**
- **Online Parks Survey**
- **Staff Workshop**

This interaction with the City staff, residents, and key stakeholders resulted in the identification of the residents' concerns, needs, and priorities regarding the City of Morris' parks and facilities.

Focus Group

Twelve stakeholders participated in the focus group discussion on July 7, 2022. The invited group of individuals included civic and community leaders, public agencies, and athletic affiliate groups. The meeting was an open-discussion format to allow the consultants to gain insight into the City.

The session covered a variety of topics, including existing and future partnerships, existing and future parks, open space, and facilities. Targeted questions were posed to the participants regarding the perceived strengths and weaknesses of the City, the challenges facing the City and the general quality of the parks.

Key Findings

The process included separating the participants into smaller working groups to encourage participation and open communication.

The list below summarizes the comments and input provided:

Community Survey

In June 2022, residents were invited to participate in online surveys for nine individual park sites. The survey was comprised of multiple-choice and open-ended questions regarding the amenities, facilities, and conditions at the following park sites.

- Bristol Pointe Park
- Chapin Park
- Fields of Saratoga Park
- Goodwill Park
- Goold Park
- Kiwanis Park
- Lions Park
- McKinley Park
- West Side Park

**The City had an
excellent response
rate with
861 completed
surveys.**

Methodology

The survey consisted of 7 multiple choice and open-ended questions. Launched on July 6, 2022, the online survey engaged residents about nine park sites, including their conditions, facilities and amenities. Over the two-week period, 861 people completed all or part of the surveys. In addition to links on the City's website, the survey was also shared on the City's social media accounts, including Facebook, Instagram and Twitter.

All questions were optional and provided participants the opportunity to skip the question. The following results do not reflect the views of all respondents but are a summary of the multiple choice and the most prevalent comments.

Responses to the open ended questions are included in the appendix.

Key Findings by Category

Household Demographics

The household demographics of the respondents included an average 28.51% with children ages 0-4, 36.04% with children ages 5-10, 28.79% with children ages 11-14, and 25% of respondents did not have any children living at home.

Park Usage

Nearly half of all respondents (approx. 50%) indicated that at least one member of their household has used a City park in the past two years. The most visited location of the nine parks surveyed was West Side Park (55.32% had visited 25+ times in the last two years), Fields of Saratoga Park was second with 45.16% of respondents visited 25+ times in the last two years, and third was Goodwill Park with 37.11% of respondents visiting over 25 times in the last two years.

Resident Satisfaction

On average, respondents rated their satisfaction with the park sites as "Somewhat Satisfied" with Goodwill Park and McKinley Park receiving higher responses of "Not at all Satisfied". Complete results are provided in the Appendix.

Park Weaknesses

Participants were asked an open-ended question regarding the weaknesses of the park facilities. The following are the most common answers received:

- **Playground equipment is outdated**
- **Need shade**
- **Tennis/Basketball Courts in disrepair**
- **Nothing for the smaller children**
- **Fields need updating**
- **Landscape needs maintenance**

Park Needs & Amenities

The City of Morris park users needs are mostly being met with the outdoor amenities currently offered.

However, when asked "*What outdoor recreational programming do you want to see at the park?*" The survey identified the following high priority needs in the City:

- **Updated playground equipment**
- **Splash Pad/Water Feature**
- **Soccer fields/soccer goals**
- **Walking/biking trails**
- **Picnic tables**
- **More accessible features**
- **More programming**
- **Shade/Trees**

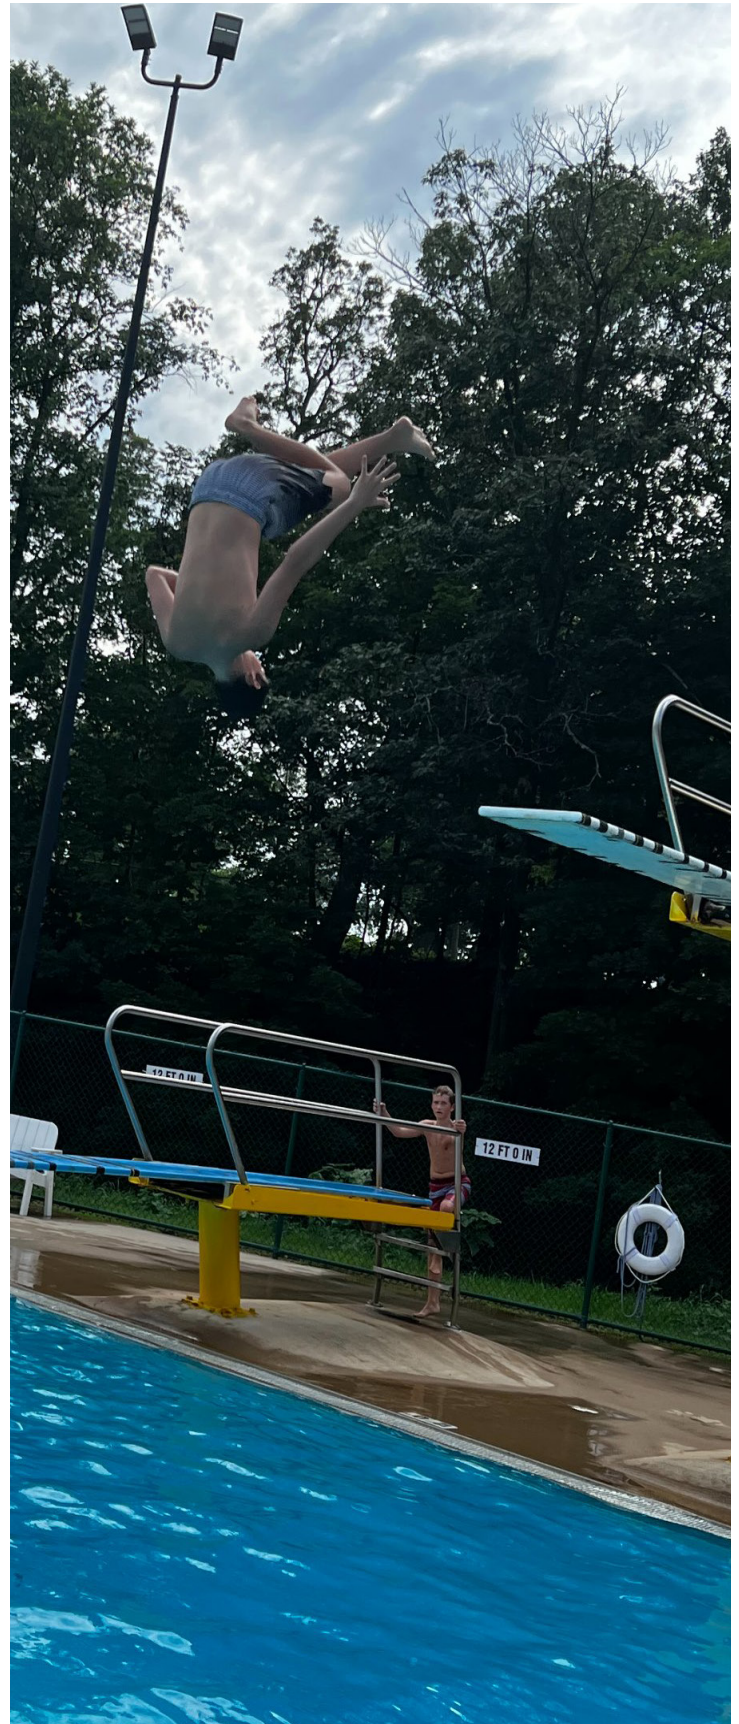

Goold Park Pool Facility

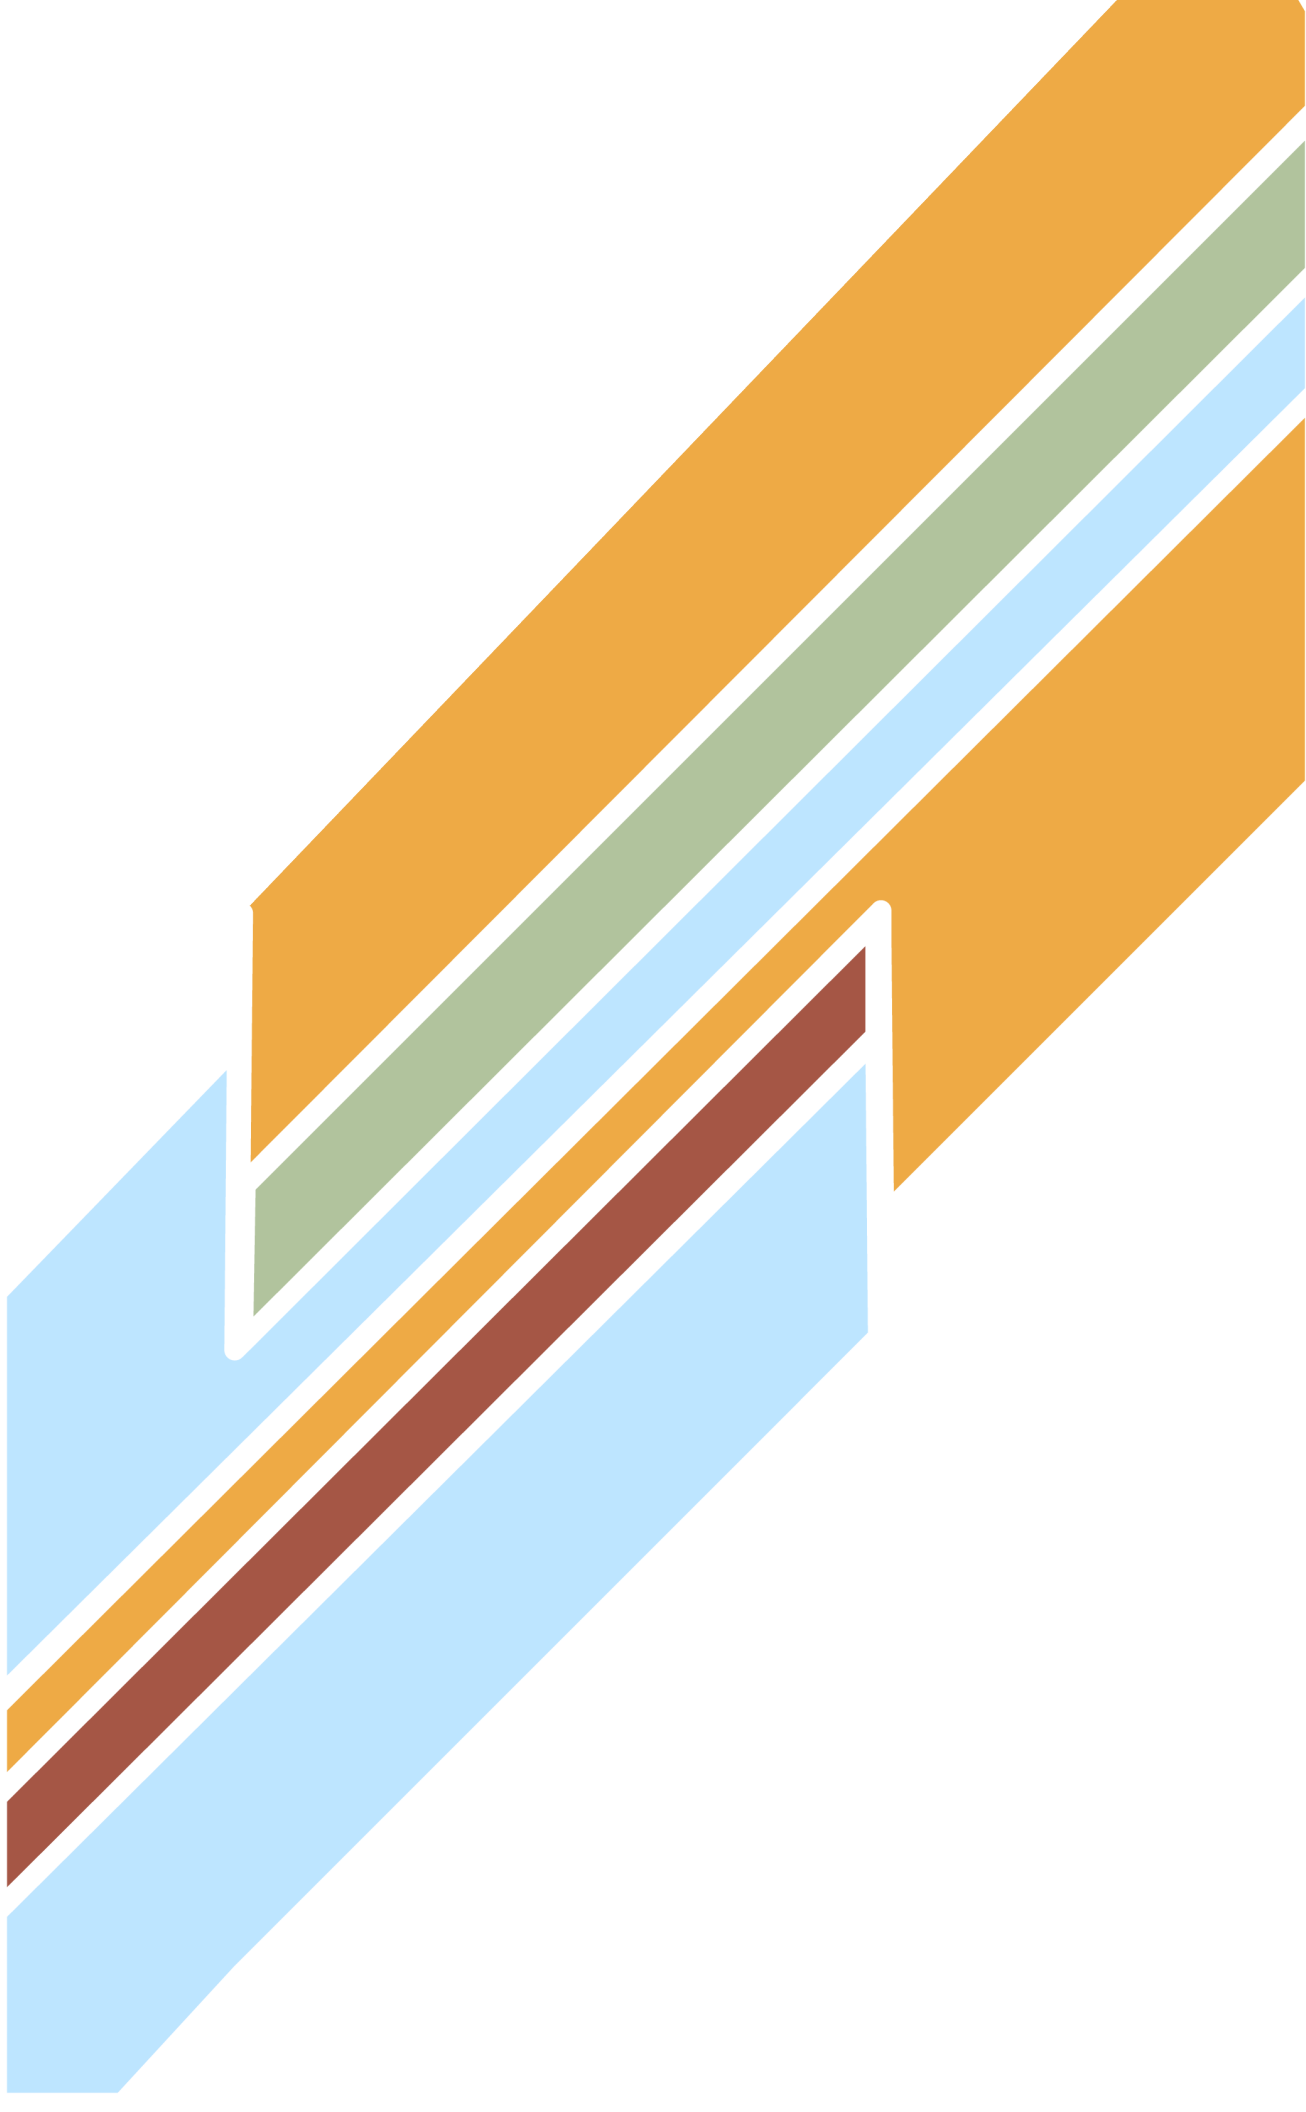

A separate question was posed to the community regarding future upgrades to the Goold Park Pool Facility.

Residents were asked *"If a new pool house is built in the future, what amenities would you like to see included?"*

The following were the most common responses:

- Concessions area/small cafe
- Better bathrooms/showers
- Family locker rooms
- Lockers
- Private showers
- Private changing areas
- Swimsuit dryers
- Larger bathroom stalls

CHAPTER 4

RECOMMENDATIONS

**INTENTIONALLY LEFT
BLANK.**

Recommendations

The purpose of the Parks Master Plan is to provide a realistic guide for the development and management of the City of Morris' parks and recreation facilities. This chapter describes ways to enhance the quality of life through improved parks, amenities, and programs and will serve as a guide for the City Alderman, City staff, and the public to define the next five years for the City of Morris.

The recommendations have been developed as a result of the park and facility inventory assessments, community visioning, and meetings with staff. While the conditions of the parks varied, many similar issues were observed and identified City-wide.

The following recommendations presented are items to be addressed throughout the City as a whole.

Update Park Amenities

Park inventories indicate that the majority of the City's park amenities are approaching or are beyond their useful life as defined by the Illinois Department of Natural Resources (IDNR). For example, per IDNR the life cycle of a playground is approximately 10-15 years.

The public engagement and survey results indicate that the community sees updating and modernizing aging amenities as a need. Respondents shared the desire for modern and imaginative play elements; including adding contemporary amenities such as obstacle/ninja course, ping pong, pickleball, modern climbing structures, zip line, and shuffleboard.

Standardize Site Furnishings

Different types of park signs and site furnishings were noticed during the parks inventory. In order to strengthen the brand of the City of Morris, standardization of site furnishings and signs in the parks is necessary. This includes the following amenities:

- **Benches/tables**
- **Litter receptacles**
- **Bicycle racks**
- **Drinking fountains**
- **Signage**

Improve Accessibility

According to the feedback from the focus group meetings and results of the community-wide survey, accessibility within the park system and the lack of amenities available for people of all abilities was a concern. The following are recommendations for improving accessibility.

- **Provide accessible routes to park amenities such as spectator areas, shelters, benches, and picnic tables.**
- **Provide accessible routes from the public walk.**
- **Provide accessible ramps into the play areas.**
- **Install poured-in-place rubber surfacing or synthetic playground turf in the play areas.**
- **Provide accessible parking spaces per Illinois Accessibility Code.**
- **Add ADA accessible swings and playground elements.**
- **Install handrail at exterior stair at Gould Park Pool.**

Improve Connectivity

The City of Morris park system could benefit from improvements to existing trails and continued planning for future trails. Trail activities are trending nationally for different age groups, and this trend will continue to grow as it provides multiple recreation and fitness opportunities.

The community felt that trail improvements and connectivity should be a priority for the City. Stakeholders consistently ranked “walking, hiking, and biking trails” as an important need and top priority investment for outdoor amenities. A recommended trail location could extend between Morris High School/Goold Park south of the railroad tracks and connect to Chapin Park with a future connection south along Wauponsee Street to the I&M Canal Trail.

Also households, both with and without kids, listed walking and biking trails as an amenity they desired in the community, as well as providing connectivity throughout from park to park.

Master Planning

The majority of the Master Plans for the park sites were completed twenty years ago and while conditions vary, many have surpassed their useful life. The City should prepare master plans for each individual park site which can be accomplished in a phased approach over several years and budgeted in the five-year capital plan.

These master plans should identify improvements that will substantially affect the curb appeal, access, and the physical character of each park while enhancing its recreational value. Park improvements identified must be carefully planned and strategically located to ensure that all individual park elements relate well to each other and ensure that the potential of the park is maximized. The park master planning process will also provide another opportunity to engage the public from the surrounding neighborhood.

Improve Goold Park Pool

Goold Park Pool is a well-loved facility but it is aging and the increasing maintenance is a challenge for the City. The City should develop a facility master plan and feasibility study for Goold Park Pool improvements. This could include replacing or expanding the main building to provide a modern accessible pool support facility with added amenities like concessions and covered outdoor areas for eating; as well as addressing ADA accessibility.

Increase Programming

The City should explore expanding opportunities and enhancing special event and community programming. The residents would like to see more events such as Movies in the Park, concerts at the Amphitheater, Yoga in the Park, and summer camp offerings.

In addition, the City should explore ways to increase recreational programming and enhance program opportunities for fitness/wellness, environmental education, young children, teens, adults, seniors, and adult non-sport programs.

Improve Communications

Participants in the focus group and the survey indicated a need for improved communication and awareness of programming and event offerings. The City provides a wealth of activities and resources, but the public is not always aware of these resources.

The website should be updated to communicate park locations clearly, programs available, sports affiliates and camp options to the public in an engaging and clear manner. This could include a link to one source for programs and registration to streamline the process and increase participation.

It is also recommended that a page dedicated to parks and recreation is added to the website.

Implementation

The following outlines potential costs for implementing the identified Parks Master Plan recommendations.

The implementation plan is to act as a guide to assist the City with implementing the upgrades over the next five years and should be periodically re-evaluated and adjusted to reflect completed projects and the community's changing needs. Funding availability, staff buy-in, and community support with play significant roles in future planning efforts.

The City should also develop a policy of including the strategic capital elements into its annual operating budget and capital improvement budget. The Plan should be viewed as a working document that is reviewed and updated annually.

The primary focus of the implementation plan is maintaining, sustaining, and improving the City's facilities and parks. While there is strong interest in new large-scale projects, it is also important to provide smaller upgrades to improve ADA access, safety and increase longevity.

The following costs represent 2022 dollars for installation only. Additional cost such as A/E fees, mobilization, demolition, permitting, and soil erosion and sediment control will be required. Detailed building facility costs are included in Chapter 2

A. Short-Term Recommendations (2022 - 2024)

Recommendations identified as first priority should be initiated within the next one to three years. These priorities are deemed important because they represent current needs and initiatives, as well as elements relative to safety.

B. Mid-Term Recommendations (2024 - 2029)

The second priority recommendations should be implemented in a range of three to six years depending on conditions, trends and funding opportunities.

C. Long-Term Recommendations (2029-2032)

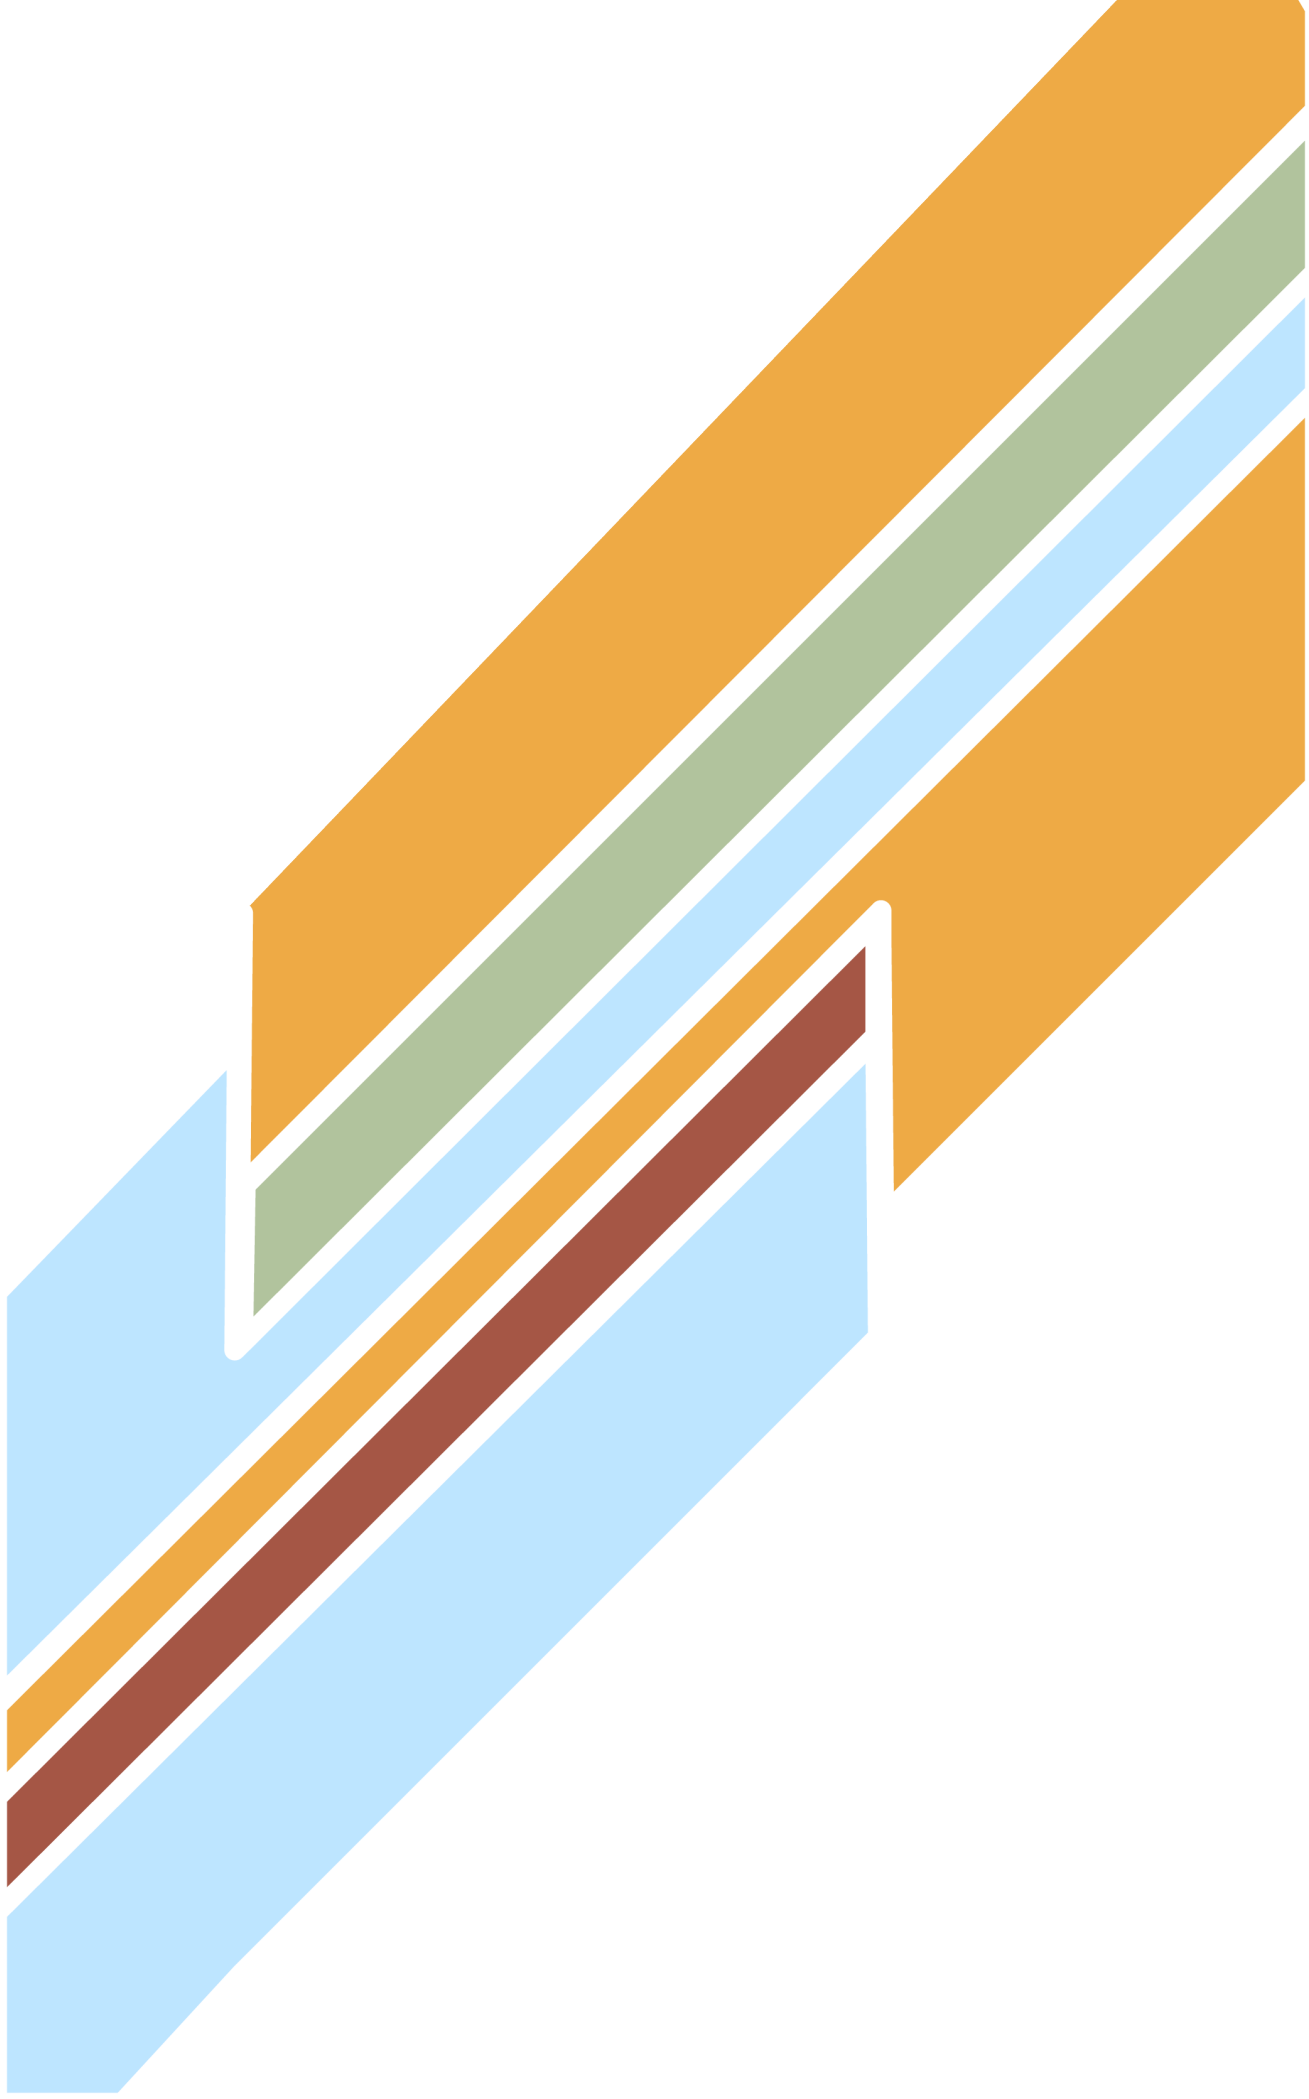

Third priority recommendations present larger capital improvements that would be completed in seven to ten years. These recommendations also look beyond the philosophy of a five-year plan to provide a listing of future needs that can be addressed as time and budget allow.

Q6 What are the weaknesses of Bristol Pointe Park?

Answered: 61 Skipped: 43

#	RESPONSES	DATE
1	Swings are old and swing crooked, the material used on the playground shocks my kids, there is no shade over the actual play structure and kids can only play for limited amount of time before overheating.	7/13/2022 12:39 PM
2	Needs a bathroom open to the public and the sand volleyball need to be removed	7/13/2022 12:12 PM
3	No walking trails/dog amenities	7/9/2022 7:27 AM
4	Na	7/8/2022 10:33 PM
5	Walking trail inside the woods teens coming to smoke weed, make out, and even have sex in the woods	7/8/2022 9:34 PM
6	No trees	7/8/2022 6:45 PM
7	No shade	7/8/2022 4:08 PM
8	Lack of equipment.	7/8/2022 12:48 PM
9	The city of Morris remodeled the park within the past 2 years but never remodeled the swing set. It is rusty, old, and I'm afraid it will hurt a child one day. There is garbage all along the walking trail and there have been many homeless people that dig through the trash bin. Kids are using the volleyball area as a giant sandbox, and I've seen shards of glass in there. The city of Morris had not filled in the hole from the volleyball net, so when it rains, it floods the whole park and basically makes it into a mosquito breeding ground.	7/8/2022 9:28 AM
10	Lack of old kids activities	7/8/2022 9:19 AM
11	Needs a splash pad.	7/8/2022 8:44 AM
12	Needs a splash pad	7/8/2022 8:43 AM
13	Pretty small and the swings.	7/8/2022 8:43 AM
14	Kids quickly lose interest since it is small. Always wanting more like monkey bars, updated swings, etc	7/8/2022 7:47 AM
15	Not enough shade	7/8/2022 7:31 AM

21	No picnic tables	7/7/2022 10:36 PM
22	So much space to left. Lots of room for a splash pad or a picnic area...that would be awesome!	7/7/2022 10:30 PM

24	None	7/7/2022 10:11 PM
25	There is only on apparatus to play on. It could use some sort of court, and a trail around. Another bench or two would be nice.	7/7/2022 9:49 PM

35	Never been	7/7/2022 7:13 PM
36	Location	7/7/2022 7:00 PM
37	There's not a lot of stuff to do there. The volleyball court needs updated and fixed. I think they should add onto the park area as there are a lot of kids in this subdivision area, and since there is a ton of room, I think it would be an easy fix. It would be awesome if there was more plants/trees planted as well for some more shade. Plus, there is only one bench, so I think it would be cool to add another.	7/7/2022 6:08 PM
38	No bathroom facility or picnic table	7/7/2022 6:02 PM
39	Nothing	7/7/2022 5:56 PM

42	Some guy named "Jerry" always lurks and says he works there. Nobody works at a park and he creeps the kid out.	7/7/2022 5:08 PM

55	?	7/7/2022 12:51 PM
56	Not a good variety. A fairly large amount of space that isn't utilized.	7/7/2022 12:28 PM
57	Swing area and grass around the park retains water quite a bit and could benefit from better drainage.	7/7/2022 12:24 PM
58	The road that ends there needs to go all the way through so that deer ridge residents can access easier also	7/7/2022 12:11 PM

Q6 What are the weaknesses of Chapin Park?

Answered: 196 Skipped: 59

#	RESPONSES	DATE
1	The sand box. There was animal poop in it the last time my son tried to play in it.	7/19/2022 6:37 AM
2	I'm not aware of any.	7/14/2022 7:37 PM
3	It is not protected from the road.	7/14/2022 5:45 PM
4	All the crazy drivers in Morris. As a nearby resident I would recommend speed bumps.	7/14/2022 5:06 PM
5	The park equipment is old and outdated	7/13/2022 3:57 PM
6	The equipment is old and in bad shape with peeling paint as well. Compared to parks such as Channahon and Plainfield ours is a disaster. The wood mulch is also an eyesore as it is not refreshed. Rubber mulch Would be a better alternative for sure and safer for the kids to fall on.	7/13/2022 1:04 PM
7	Busy roads with no fence around, old equipment, mulch, landscaping	7/11/2022 9:08 PM
8	It can seem outdated and I notice that some of the equipment on the park is broken or busted but it's just the nature of ware and tare,	7/11/2022 10:40 AM
9	Cleaner bathrooms	7/11/2022 9:03 AM
10	Some of the equipment is broken or rusted	7/11/2022 6:15 AM
11	Some equipment is broken and/or unsafe	7/10/2022 10:41 AM
12	Dated equipment	7/10/2022 9:13 AM
13	It would be nice to have more walk ways.	7/9/2022 8:40 PM
14	Old outdated equipment	7/9/2022 7:22 PM
15	Close to roads with no fence	7/9/2022 11:37 AM
16	Outdated play equipment or unusable equipment. Too many teens/adults without children using the park inappropriately.	7/8/2022 11:16 PM
17	Needs work on the handicapped swings. Children have ruined it.	7/8/2022 9:27 PM
18	Uneven ground, small	7/8/2022 6:51 PM
19	Very outdated , not the safest for very little kids	7/8/2022 6:50 PM
20	Outdated equipment that I played on as a child. Large space that could benefit from new equipment, more equipment, and maybe a splash pad.	7/8/2022 5:21 PM
21	No fence. Equipment is getting warn. Larger shelter	7/8/2022 4:11 PM
22	Bathroom	7/8/2022 3:24 PM
23	It could use some sidewalks.	7/8/2022 1:59 PM
24	The play areas are falling apart and kids are getting hurt	7/8/2022 12:39 PM
25	Parking	7/8/2022 11:53 AM
26	There is no enclosure around the park. I never wanted to take my kids there incase a child ran out in front of car. People fly past that park and it's unsafe.	7/8/2022 11:51 AM
27	Unfortunately most of the playground areas are old rustybroken and out dated.	7/8/2022 11:29 AM
28	Needs a fence surrounding it	7/8/2022 11:19 AM
29	Parking	7/8/2022 11:08 AM

30	Broken and run down equipment. All the park equipment are in need of upgrades	7/8/2022 10:10 AM
31	Outdated equipment	7/8/2022 9:22 AM
32	Equipment is extremely old	7/8/2022 8:59 AM
33	Not as clean as it should be	7/8/2022 8:43 AM
34	Structures need updating, maybe a bit more shelter/shaded area.	7/8/2022 8:32 AM
35	All the equipment is old or doesn't work. It be nice to put all the parks closer together so parents with kids in two different age groups are running back-and-forth. It'll also be nice to have a sensory park or padded area and even a splash pad that you don't have to pay to get into	7/8/2022 8:29 AM
36	All the equipment is old	7/8/2022 8:18 AM
37	Paint chipping and wear. The merry go round is broken	7/8/2022 8:17 AM
38	A lot of times the children can't play on certain items cause they are broken. No dog rule, not enforced.	7/8/2022 8:16 AM
39	Equipment is getting old	7/8/2022 7:59 AM
40	Nothing	7/8/2022 7:54 AM
41	No parking	7/8/2022 7:45 AM
42	old/outdated equipment	7/8/2022 7:33 AM
43	The same play equipment since the 80's.	7/8/2022 7:21 AM
44	Equipment needs updated and a variety for all children	7/8/2022 7:16 AM
45	Some of the play equipment is old and needs to be fixed.	7/8/2022 6:20 AM
46	Only street parking in the neighborhood.	7/8/2022 6:10 AM
47	Bathroom facilities being locked all the time	7/8/2022 6:02 AM
48	Old equipment	7/8/2022 5:47 AM
49	I know there's not much that can be done but some pieces of equipment seem so close to the road. It just makes it a little difficult to take more than one child there sometimes depending on the kids ages. I also think the shelter area is a little small and could be upgraded and expanded.	7/8/2022 5:02 AM
50	I think some of the equipment could stand to be updated to new equipment.	7/8/2022 2:39 AM
51	Merry go round has been broken for awhile now and never fixed.	7/8/2022 1:16 AM
52	All of the equipment should be in the Smithsonian. Wood chips.	7/8/2022 1:02 AM
53	Nothing	7/8/2022 12:34 AM
54	Some of the equipment is outdated or not useable	7/8/2022 12:21 AM
55	Nothing new is ever added even though there is lots of space. Would have been great to have a splash pad in town for when my kids where 5 and under.	7/8/2022 12:11 AM
56	No picnic area, bathrooms	7/7/2022 11:50 PM
57	NA	7/7/2022 11:45 PM
58	Bathrooms are locked sometimes and need a place to lock up bikes.	7/7/2022 11:35 PM
59	Streets all around were not great when the kids were little	7/7/2022 11:14 PM
60	Some equipment is getting old and could use updating	7/7/2022 11:10 PM
61	Some of the equipment is outdated and needs replacing.	7/7/2022 11:06 PM
62	Could update some play equipment and have slower speed limits along the parameters of the park.	7/7/2022 11:03 PM

63	The bathrooms really should have doors on the stalls. In today's society, it is extremely unsafe for there to be no doors, and therefore no safe place to seek shelter should someone wish another person harm. Also, the merry go round really needs some work!	7/7/2022 10:53 PM

95	Chapin park have some very outdated and quite frankly dangerous equipment. With busy	7/7/2022 8:04 PM

streets on all four sides and no fences it is hazardous for younger children. Play areas are pretty far from each other and parents with multiple kids face challenges keeping up with all of them with equipment being so distant.

96	Needs new playground equipment	7/7/2022 7:42 PM
97	The very old equipment and terrible mulch/old wood boarder that are falling over. The equipment was there when I was a kid and I'm 40	7/7/2022 7:22 PM

107	Restroom	7/7/2022 6:13 PM
108	The spinning ride on the south southeast side of the park was broke today. The bathrooms could be nicer. More trees need to be planted to ensure shade for the future. If the very old trees die there will be nothing.	7/7/2022 6:08 PM
109	small shelter	7/7/2022 6:06 PM

113	The benches need fixed a little bit. The merry go round needs fixed as well.	7/7/2022 5:50 PM
114	There is only one tiny section of the park with adaptive equipment. My youngest son is disabled and it upsets me that even though we live so close to parks in town we travel to coal city more often because they have an entire park created for all children. Some of the equipment is severely outdated and it would be great to see a splash pad of sorts	7/7/2022 5:50 PM
115	Older equipment. The shiny metal and wood not really good for playing	7/7/2022 5:41 PM

122	Outdated playground equipment and shelters	7/7/2022 5:07 PM
123	The playground equipment can really use a major update. A lot of chipping paint, broken equipment and really outdated. There are so many excellent things that could be done with all the space at Chapin park. I don't like that some of the equipment is quite close to the road.	7/7/2022 5:06 PM

127	Some equipment is dated or downright dangerous. Could use a facelift.	7/7/2022 4:45 PM
128	all old equipment made oout of metal that is hot and dangerous. They need to do a parcor park like warrenville has with timed onsticle course. The stuff is to spaced out. the little kid section is to far from the bigger kids an dwhen you have both ages it is hard to be in two areas. No fence to close to the road. 149	It gets very muddy and takes quiet awhile for the water to dry up under the swings etc. Also the big merry go round is uneven and does not spin only bumps around	7/7/2022 3:05 PM
150	Seating and picnic tables - need more	7/7/2022 3:04 PM

172	Garage everywhere, broken slides, vandalism.	7/7/2022 1:03 PM
173	There is no sign to identify Chapin Park. The merry-go-round is looking old and unsafe. The shelter could be bigger.	7/7/2022 12:55 PM
174	It needs a major update and is constantly dirty and too many bugs	7/7/2022 12:54 PM
175	It's very exposed. Would be better if it was fenced in for the younger kids.	7/7/2022 12:49 PM

9	Needs more fish	7/8/2022 11:33 AM
10	better pond maintenance and more play areas for kids basketball courts are a mess	7/8/2022 9:07 AM
11	The courts need to be striped better, (not the same color as old one), and they need sealed. The concrete is to rough and is easy to fall. Also, there needs to be more parking. Not enough spaces.	7/8/2022 8:34 AM

35	Could use more playground equipment	7/7/2022 4:57 PM

55	Older equipment. Rocks on ground	7/7/2022 5:46 PM
56	Old equipment	7/7/2022 5:41 PM
57	Parking! Especially during g ball season! E Chapin is not labeled as a 1-way road, which causes chaos for out of town teams. We need signs labeling the 1-way road for everyone's safety!	7/7/2022 5:38 PM
58	It's a dump	7/7/2022 5:17 PM

59	The playground equipment desperately needs updated. The benches are in poor condition. Accessible play areas are needed, and a different non grass ground cover. Gravel is not accessible for those with mobility issues.	7/7/2022 5:10 PM
60	The playground equipment is old and outdated. The landscape is in great need of refreshing. It would be nice to have more picnic areas	7/7/2022 5:07 PM
61	Needs more playground equipment	7/7/2022 5:00 PM
62	Not being able to sit in the middle and watch both my kids when they play on opposite sides.	7/7/2022 5:00 PM
63	There are so many broken/gross/drawn on/beaten up things.	7/7/2022 4:59 PM

68	Outdated equipment. Baseball fields in poor condition.	7/7/2022 4:37 PM
69	Aging equipment in front section. The horse merry go round is particularly a sad ordeal	7/7/2022 4:29 PM
70	Equipment is old and outdated, grass areas are not maintained well, ball fields are not maintained at all.	7/7/2022 4:15 PM

76	Some of the playground equipment doesn't work properly. Also the bathrooms are weird and I won't let my children use them	7/7/2022 2:48 PM

78	It doesn't have a whole lot to do and old equipment.	7/7/2022 2:37 PM
79	The dirtiness of the play area. Needs cleaned up/painted updated.	7/7/2022 2:31 PM

82	Destructive people in the area	7/7/2022 1:49 PM
83	Parking	7/7/2022 1:22 PM
84	The horse Merry-go-round has been broken for years. The wooden railroad ties around the play area are rotting and in terrible condition. The only time the ball fields are in decent condition is when the YMCA has their Tball/baseball session. There is a large grassy area in the NE corner of the park that could be better utilized. Maybe a shelter with tables...or even better, a splash pad!	7/7/2022 1:20 PM
85	Many times the fields are covered in weeds. The fields need to be maintained or change the fields to artificial turf for less maintenance. The playground equipment is old. The park also has bare dirt spots. Plant some grass seed or put cleaner walkways around the park.	7/7/2022 12:57 PM
86	Everything is the same as it was 30 years ago. Just slapping paint on old rusty, unsafe equipment. Hardly ever kept up ball fields except when organizations do it.	7/7/2022 12:42 PM
87	Conditions of the play equipment	7/7/2022 12:25 PM

88	Could use some updated equipment	7/7/2022 12:16 PM
89	No parking.	7/7/2022 12:07 PM
90	Equipment is broken and really worn. Could use some upkeep! Would be great to add a splash pad!	7/7/2022 12:06 PM
91	Everything. The park has been neglected and is a place for older kids to leave trash and graffiti equipment.	7/7/2022 12:04 PM

1	Would love to have an adult mixed softball league in Morris. My boyfriend drives to oak lawn to have a team and Chicago to play on another team. There is not a lot for adults to do in Morris other than go to the bars or bowling. We have been wanting to talk to someone about starting a league. Local businesses could sponsor teams and surrounding towns could join. We could do the play offs cornfest weekend maybe? Just a thought we have had. If this is something that would be possible please contact me on Facebook. Andrea Monique Hauge	7/19/2022 7:05 AM

Q6 What are the weaknesses of Goold Park?

Answered: 87 Skipped: 16

#	RESPONSES	DATE
1	Up until recently, the fact that it was underused. I lived in Springfield for a few years within walking distance of Washington park. It's huge, but has a similar footprint in how it's located and shaped. Every Sunday morning the park was (maybe still is) closed to traffic so people could walk and bike through without worrying about vehicular traffic. I know Goold is much smaller, but maybe there's an application for that to encourage more residents to use the park?	7/14/2022 5:12 PM
2	Maintenance of courts it has been at least a year since the nets were placed but the courts have no0t been properly marked making them unusable	7/13/2022 4:09 PM
3	Please paint the pickleball courts.	7/12/2022 7:05 PM
4	The walking trails don't seem very safe, since you have to go in a creepy, dirty tunnel. The play area is small could do with some other activities	7/11/2022 6:19 AM
5	Old equipment	7/10/2022 7:27 PM
6	Playground needs updating	7/10/2022 10:50 AM
7	None	7/9/2022 7:30 PM
8	Tennis courts could use update	7/8/2022 9:29 PM
9	Grass could be thicker more fuller. Area by upper pavilion could be updated for area to play cornhole I stead of the old horseshoe pit	7/8/2022 8:32 PM
10	Better fencing for events and bathrooms with doors! LOVED FFOREST FEST!	7/8/2022 8:16 PM
11	Old	7/8/2022 7:50 PM
12	The amphitheater is great, but not used enough. Why arent brown bag Friday music events happening here? The space feels wasted and could be used far more often	7/8/2022 5:24 PM
13	The playground is quite limited and outdated	7/8/2022 3:21 PM

20	Pickle ball courts need to be lined better.	7/8/2022 8:35 AM
21	Pickleball courts need painting and marking.	7/8/2022 8:24 AM
22	Park could use more equipment. Ice rink really needs to be closer to parking lot or have a walkway so you don't have to walk through a mudpit to get there	7/8/2022 8:01 AM
23	People drive too fast. Needs speed bumps. Disc golf would be nice.	7/8/2022 7:43 AM
24	Parking during events, pool floods too close to crick	7/8/2022 7:01 AM
25	Horseshoe pots need to go away, they aren't used. Maybe concrete cornhole boxes. Ice rink needs to move to a park with concrete and fencing, Park equipment is old. The wooden fence is falling apart	7/8/2022 6:14 AM

30	Should have put a nice disc golf course there instead of that ice rink. A disc golf course would not affect any of the events that are set up there. I also want to add the BBQ fest was a big bust! We went there thinking we could try all kinds of different bbq stands but the only food available was hot dogs. We definitely won't be back to that next year.	7/8/2022 12:23 AM

49	None	7/7/2022 6:06 PM
50	drainage stink/mosquitoes, glass/trash in the train underpass	7/7/2022 6:03 PM
51	The play area is a bit small and very close to the railroad tracks. The ice rink was short lived, and ruined half the ground after it was taken down. I feel the park stage hasn't been utilized very much until the past few months	7/7/2022 6:00 PM
52	The parks that are by here are not the best. I'm assuming it's because it's close to Chaplin. However, still think it would be cool to see some other stuff there	7/7/2022 5:58 PM
53	There's no basketball court. The playground area is kind of small	7/7/2022 5:49 PM
54	None	7/7/2022 5:20 PM
55	Mud pit in grass. People drive too fast thru.	7/7/2022 5:17 PM

57	Outdated playground equipment	7/7/2022 4:59 PM
58	parking, the lack of skate rental for the ice rink. stupidest thing ever lets have a rink and no rental. I can go to inwood and rent skates and be indoors. To spaced out, no night swimming	7/7/2022 4:52 PM

because no lights. Have an ampatheater and never offer free movies in the park like other towns. sick of having to drive to other towns for stuff to do

59	Outdated	7/7/2022 4:45 PM
60	Rusted and old. Needs new equiptment	7/7/2022 4:36 PM
61	A bit hilly and the playground needs updating	7/7/2022 4:34 PM
62	The play area could use upgrading. With all of the events happening there now its use will continue to grow and the play area is a little dated.	7/7/2022 4:20 PM
63	Play options for older and younger kids	7/7/2022 4:19 PM
64	Outdated, broken, and/or missing equipment	7/7/2022 4:09 PM
65	Bathrooms need updating Courts have dips that holds water and we constantly clean them after a rain. Hope the tennis court side will be remarked for both tennis and pickle ball. That way we have three pickle ball in that location.	7/7/2022 4:07 PM

68	Weeds along Nettle Creek leading downstream. Railroad/concrete blocks, which I love, should be painted/maintained yearly. Thank you	7/7/2022 3:06 PM
69	Lack of playground equipment for younger children.	7/7/2022 3:06 PM
70	The park could use more stuff	7/7/2022 2:44 PM
71	Wish that the playground was a bit bigger. I would also love to see the amphitheater used more for family events, like a movie in the park type night.	7/7/2022 2:25 PM
72	Not enough playground equipment	7/7/2022 2:20 PM
73	The playground is in sad shape	7/7/2022 2:15 PM

75	Under utilized and riff raff hangs out there because if it.	7/7/2022 1:47 PM
76	Needs more equipment	7/7/2022 1:31 PM
77	It would be great to have ice skate rentals. The play area in the upper Park desperately needs updated.	7/7/2022 1:13 PM
78	The ice rink would've been amazing if they would have put a slab where it stood instead of ruining the ground every year. Parking spots are limited. The decision to take a tennis court and make it only usable for pickleball is a baffling decision. The yearly flooding that seems to occur leads to insane mosquito populations	7/7/2022 12:47 PM
79	Woman's restroom does not have doors on stalls. Orange fencing around ice rink site. There has been some concern about handicap access.	7/7/2022 12:45 PM
80	Bathrooms.	7/7/2022 12:33 PM
81	After the ice rink was removed the area where you are trying to grow grass is a disaster. People trip and fall and get tangled up in the netting.	7/7/2022 12:11 PM
82	Lack of parking.	7/7/2022 12:06 PM
83	I think it's a great park, the pool could use some updating.	7/7/2022 12:06 PM
84	It's awfully outdated and poor for the littles. My daughter is 3 and she can only slide down 1 slide and swing. The old metal slide is super old and sketchy for kids. It's chipping lead filled paint from decades ago. The merry go round finally got ripped out and now it's just a hole in the ground with nothing there. The only lion left to rock back and forth on does nothing for them. The equipment all needs to be painted if you're not going to replace or update any.	7/7/2022 12:01 PM

No big events are held here. Use it! You built a huge stage and it's big to hosts city events.

1	We would enjoy more trails	7/14/2022 5:59 PM
2	There is no shade and there could be more walking path to get back to my house and to the pond	7/14/2022 8:46 AM
3	Need to connect south Locust Rd to North Locust Rd. This will allow access by car to the houses in North Deer Ridge.	7/13/2022 3:39 PM
4	When it rains water blocks off areas of the walking trail	7/11/2022 8:41 AM
5	No shade, no bathrooms, a splash pad would be nice	7/10/2022 9:55 PM
6	No shade!!	7/10/2022 8:01 PM
7	Lack of shade/trees/pavilion(s)	7/10/2022 7:41 PM
8	Needs more shade, bathroom, drinking fountain, and maybe tennis court or Basketball court. And the baseball field part needs to be finished, it is just a small section of backstop. It is not even a field.	7/10/2022 6:47 PM
9	No shade and no shelters for people to picnic	7/10/2022 6:36 PM
10	No shade. No path from west side of deer ridge. Not enough benches. Would love some kind of pavilion for parties/events.	7/10/2022 5:30 PM
11	No shaded areas	7/10/2022 5:02 PM
12	No shade at all. Would prefer a Pavillion or two to gather at and be able to sit under	7/10/2022 4:55 PM
13	Lacks shaded area	7/9/2022 9:05 AM
14	Nothing really. Would be nice to have more shade. We tend to visit Kiwanis in the fall. The direct sun is too much in the summer with no shade to take rest in.	7/8/2022 5:34 PM
15	Baseball field, no restroom	7/8/2022 10:47 AM
16	Not much equipment.	7/8/2022 8:41 AM
17	No restrooms. No Infield at the baseball field.	7/8/2022 6:47 AM
18	Our little one LOVES this park!	7/8/2022 12:12 AM
19	No drinking fountain	7/8/2022 12:07 AM
20	Could use more places to sit	7/7/2022 11:54 PM
21	No shade	7/7/2022 11:47 PM
22	No shade. Needs to have a bathroom!	7/7/2022 11:23 PM
23	There is no shade so we don't use it as much during the summer	7/7/2022 11:07 PM
24	No picnic area	7/7/2022 10:38 PM
25	Major bee - wasp problem	7/7/2022 10:09 PM
26	Not many shaded areas like mini huts	7/7/2022 10:04 PM
27		7/7/2022 9:40 PM
28	Not promoted well with pictures . Better publicity	7/7/2022 9:36 PM
29	No shade	7/7/2022 7:24 PM

30	Zero shade.	7/7/2022 6:52 PM
31	Wish there was a splash pad in our town as there are none here or in the nearby towns	7/7/2022 6:39 PM
32	No shade or bathrooms	7/7/2022 6:36 PM
33	Needs some shade. Bathrooms please!	7/7/2022 6:10 PM
34	Baseball area needs updated. Plus I think it needs more shade around it	7/7/2022 6:09 PM
35	Wasps, pricker bushes in the woodchips	7/7/2022 6:09 PM
36	There's not enough shade. There could be more play equipment within the playground area.	7/7/2022 5:34 PM
37	Broken equipment. Not a big enough play area.	7/7/2022 4:46 PM
38	The playground isn't that exciting my child gets bored after 15 minutes	7/7/2022 4:46 PM
39	The swings are far to high up. It's too hard for Amy kids to sit on the properly and equally as hard for parents to lift their children into the kids seats.	7/7/2022 4:36 PM
40	No shade or bathrooms.	7/7/2022 2:48 PM
41	The baseball backstop is almost unusable because it's so weedy. There is no break from sun or wind. A little bit of shade would go a long way. I also feel that this could be the perfect location for an addition of a splash pad to Morris.	7/7/2022 1:58 PM
42	Path connecting to west half of deer ridge would be great	7/7/2022 1:18 PM
43	Needs picnic shelter and restrooms	7/7/2022 1:12 PM
44	Not alot to do there. Not many swings, not many attractions	7/7/2022 12:49 PM
45	No shaded	7/7/2022 12:15 PM
46	It needs a splash pad and bathroom	7/7/2022 12:10 PM
47	So instead of take 10 surveys, I will just write about what I want to see for the parks as a whole. We have visited all the parks in Morris numerous times and love that they are well maintained, have some kind of restrooms available and have play structures for the kids. We go to Kiwanis, Lions and Chapin park the most often as the kids like those the best. We wish Morris had a splash pad like Minooka does. It would be awesome to have it at Kiwanis where there is so much room maybe where the unused baseball diamond is but really anywhere in Morris would be great. We live in the Rockwell Estates neighborhood and wish we still had a park here. There currently is no where close we can walk to. If we bike, it is over a mile and with the kids 5 and under that is very difficult. There are some many families that live in Rockwell with small kids and we all would love to see a park or walking path for the kids to do.	7/7/2022 12:07 PM
48	No shade or bathrooms	7/7/2022 11:55 AM

1	The mulch always washes away when we get heavy rains	7/15/2022 7:42 AM
2	The weeds around the play areas. How muddy the grass is walking up to the playground. No stairs to the smaller side of the playground for smaller kids.	7/13/2022 12:34 PM
3	Not accessible	7/11/2022 8:39 AM
4	N/a	7/10/2022 10:29 PM
5	Needs splash pad	7/10/2022 7:29 PM
6	No path from the road to the playground to make it easier for wheelchairs or strollers.	7/10/2022 10:54 AM
7	The mulch	7/10/2022 8:02 AM
8	Needs more parking areas.	7/9/2022 3:10 PM
9	None	7/9/2022 11:41 AM
10	Bugs! Needs to be sprayed for mosquitoes	7/8/2022 11:20 PM
11	Always dirty bathrooms	7/8/2022 9:31 PM
12	None	7/8/2022 6:55 PM
13	Small playground considering the size of the lot	7/8/2022 5:29 PM
14	None	7/8/2022 11:53 AM
15	Could use a fence surrounding it	7/8/2022 11:20 AM
16	Again nothing for old kids. Maybe basketball hoops or frisbee golf. Bathrooms my kids would like doors on the stall. Also more parking.	7/8/2022 9:39 AM
17	No real area for smaller children.	7/8/2022 8:48 AM
18	Mow. The. Grass.	7/8/2022 7:23 AM
19	Parking for events at shelter	7/8/2022 7:03 AM
20	More could be done to enhance the creek.	7/8/2022 7:00 AM
21	Weeds in kids area of play	7/8/2022 6:16 AM
22	The only weakness I can think of is how long the ground stays wet and muddy for after it runs. Sometimes it's almost impossible to push a stroller down by the equipment because it's so muddy.	7/8/2022 4:56 AM
23	Needs a bigger play area	7/7/2022 11:12 PM
24	There is no fence along Nettle Creek to keep children from falling into the water.	7/7/2022 11:12 PM
25	Bathrooms could be improved.	7/7/2022 11:10 PM
26	The play structures aren't great for kids under 4 (they are high) but now that my kid are older it's great for them	7/7/2022 11:04 PM
27	The playground equipment is mostly for older kids, the set of equipment that is for younger kids has no steps up to it, so it is almost impossible for little ones to get up, unless they climb the slide.	7/7/2022 10:58 PM
28	Parking	7/7/2022 10:57 PM

53	Young kids can't play on anything without help. It's all for older kids	7/7/2022 2:45 PM

55	Not toddler friendly. The "baby" slides have no way for the child to get to it other than climbing the slide or being picked up.	7/7/2022 1:05 PM
56	It only has the one pavilion	7/7/2022 12:53 PM
57	The pavilion could be larger to accommodate larger parties. The bathrooms could use an upgrade.	7/7/2022 12:51 PM
58	The part of the equipment that is meant for younger kids does not have stairs for access and the other access ladder is hard and a bit unsafe for younger toddlers to navigate.	7/7/2022 12:29 PM
59	The bathrooms are pretty crummy and not always available.	7/7/2022 12:23 PM
60	Outdated equipment	7/7/2022 12:14 PM
61	When it gets wet, it's soggy to get to the playground.	7/7/2022 12:05 PM
62	It could use some clean up- maybe more equipment	7/7/2022 11:58 AM

Could use more walking trails nearby

Q6 What are the weaknesses of McKinley Park?

Answered: 58 Skipped: 7

#	RESPONSES	DATE
1	Needs upgraded playground equipment. The park is used a lot by children in the neighborhood & during baseball games. The park needs a pathway/walkway entrance from McKinley St to accommodate strollers, wagons, bikes, trikes, etc. to the play area.	7/11/2022 7:37 PM
2	Playground is not up to date	7/11/2022 11:43 AM
3	The bathrooms are disgusting	7/11/2022 9:05 AM
4	Old needs new safer playground	7/11/2022 7:08 AM
5	The play set severely needs updating. The slide is broken and blocked off so the kids can't even go down it. The merry go round is broken and blocked off with caution tape but is a huge safety hazard. We love that it has bathrooms but they need some work inside.	7/11/2022 2:01 AM
6	Playground is small and some equipment is broken and unsafe. Ball fields and courts are in need of updating	7/10/2022 10:52 AM
7	The play area has damaged equipment like the merry go round and the basketball and tennis courts are not in the best shape. The area needs to be better maintained.	7/10/2022 7:59 AM
8	Everything is out of date it's horrible tennis,basketball courts are run down playground looks like it's falling apart baseball field needs updating dug outs	7/8/2022 7:33 PM
9	The court is in terrible shape. In the 90s and 2000s this was THE court to play basketball. Lots would join and it was always friendly, safe fun for kids to stay out of trouble. The court needs updated	7/8/2022 5:37 PM
10	The park is old and run down and the bathrooms don't have doors. The baseball field is just ok. The basketball courts are run down as well.	7/8/2022 4:50 PM
11	Broken play equipment	7/8/2022 11:16 AM
12	Park	7/8/2022 10:52 AM
13	The aesthetics are terrible. If the tennis court isn't going to be updated it needs something else, like a water pad or more play area. I do think the tennis courts should be updated with nice nets. The basketball nets need to switch to quiet nets not the chain nets. And then just everything over all. Maybe some slight landscaping new benches just an overall face lift	7/8/2022 10:17 AM
14	The basketball court needs repairs.. maybe a shelter over the top for shade	7/8/2022 9:29 AM
15	The equipment needs a LOT of updating.	7/8/2022 8:45 AM
16	The park is in bad need of repair, the park area could use equipment.	7/8/2022 8:41 AM
17	Play area needs to be updated. Repainted and add some new equipment to it	7/8/2022 8:27 AM
18	Needs update bathroom	7/7/2022 11:55 PM
19	Playground needs updating.	7/7/2022 11:20 PM
20	Equipment is outdated, dangerous slides with sharp edges to cut hands	7/7/2022 11:15 PM
21	No shady areas for parents	7/7/2022 10:59 PM
22	The equipment at the park is terrible. Very unsafe. Some of the equipment has been broken all summer.	7/7/2022 10:37 PM
23	Everything. It needs help	7/7/2022 10:17 PM
24	All of it. Plzzzz update for the littles !!	7/7/2022 10:08 PM

25	This park is unbelievably unsafe and dangerous because of the condition of the equipment and courts.	7/7/2022 9:57 PM
26	Needs batting cage. Needs more netting to stop foul balls from hitting cars. Needs new playground equipment. Lots of repairs needed.	7/7/2022 9:44 PM
27	Not well known. Needs pictures and more publicity	7/7/2022 9:41 PM
28	It's beyond run down... almost everything is unusable... a splash pad would be amazing instead of the tennis courts that aren't used.... And new playground equipment so many kids in the neighborhood would love a park and would be great for all the people that come for baseball games	7/7/2022 9:10 PM
29	Never have heard of it	7/7/2022 9:08 PM
30	Needs new fencing, new tennis nets I love to play tennis and this park is 1 minute from our house , new basketball hoops A LOT of kids in the neighborhood go there to play. And the park... we'll it's just not good at all my kids get bored in like 5 minutes.... I'm going to have a newborn to 8 year old and ID LOVE to be able to just walk down the street for my kids to play!!!! Please please please help this park!!!!!!	7/7/2022 9:01 PM
31	Get rid of the tennis courts and put a splash pad in. Our town is lame compared to other towns with splash pads. Google the Washington Park in Peru, IL and they have such a nice faculty. Oh wait most towns do.	7/7/2022 8:42 PM
32	Tennis courts are gone ,basketball has rubber pallets allover, the slides face the sun so is very hot for the kids. Just need better stuff for them to play.	7/7/2022 7:32 PM
33	The equipment is old and doesn't seem very safe	7/7/2022 7:03 PM
34	The Mary go round is broken same of the metal is rusted. Wooden border around play areas are a nuisance when kids are trying to run around	7/7/2022 6:55 PM
35	The merry go round has been broken for more than a year.	7/7/2022 6:52 PM
36	The park is in deplorable condition. A lot of people from other towns see that park because of baseball leagues and its embarrassing. Especially when there is yellow caution tape wrapped all around the merry go round. The basketball hoops need updating and there tennis area is only a massive slab of concrete. One last thing...THE BATHROOMS! It is so humiliating when people walk in on you going to the bathroom because there is no doors. How do I teach my children their private areas are private if anyone can walk in while they are using the restroom. In this day and age we need to protect our children a little bit better. Thank you for listening!	7/7/2022 6:43 PM
37	Old equipment	7/7/2022 6:26 PM
38	Gang graffiti	7/7/2022 6:22 PM
39	Play area	7/7/2022 6:21 PM
40	It is incredibly outdated. The tennis court could use an upgrade and there is no adaptive equipment for my disabled son. The baseball field could use some serious love as well	7/7/2022 6:08 PM
41	The park itself is not great at all. They need to fix up every bit of it. The basketball court needs fixed.	7/7/2022 6:00 PM
42	Playground equipment	7/7/2022 5:50 PM
43	No one takes care of it. Tennis courts, basketball hoops have no net bathroom are disgusting.	7/7/2022 5:30 PM
44	It is run down	7/7/2022 5:18 PM
45	The tennis courts and basketball court are an eye sore. The playground equipment is old. The ball fiend needs a grass/turf infield and covered dugouts.	7/7/2022 5:08 PM
46	The okay equipment and upkeep	7/7/2022 4:54 PM
47	Outdated equipment and everytime my kids play there they end up with a weird rash and weird bug bites.	7/7/2022 4:53 PM
48	Everything is broken and hazardous.	7/7/2022 4:31 PM
49	Equipment is outdated and poorly cared for, and maintenance of the entire area is lacking.	7/7/2022 3:16 PM

50	It looks very rundown . The tennis courts are very unkept . It looks like all the money went to the ball field and that's it. The spin merry go round is broken and has been for a very long time. I have a handicapped child and would love some inclusive pieces	7/7/2022 2:48 PM
51	Park area is all broken. Hardly anything for the kids to play on. Basketball hoops are broken. No fences.	7/7/2022 2:31 PM
52	Not a lot for little kids and lots of older kids acting inappropriate.	7/7/2022 2:06 PM
53	Tennis courts are in disrepair and never in use . Need to be gone and add more play area . Cleaning park and removing the tire remnants from play area .	7/7/2022 2:02 PM
54	Tennis court	7/7/2022 1:47 PM
55	The playground is old. The tennis courts are an eye sore. It's kind of embarrassing to host out of town baseball teams when see other towns facilities. Sports bring many people from other towns to the park, and it doesn't give off the best look for our town.	7/7/2022 12:32 PM
56	It has been neglected for years. Tiny basketball court. The tennis nets are never up. The ball field has seen better days.	7/7/2022 12:31 PM
57	Outdated baseball field.	7/7/2022 12:25 PM
58	Tennis courts are useless to play the game of tennis. No renovation has been done in it in years	7/7/2022 12:08 PM

25	In my opinion, this park needs a complete overhaul. The tennis courts are virtually unusable. The basketball area is terrible, and the play equipment is unsafe with literal holes underneath. It is currently taped off in certain locations because of the unsafe conditions. It could be very easy for a child to disobey the tape and get hurt.	7/7/2022 9:57 PM

32	If the tennis courts are not going to be use . Make it a small soccer field, or a splash pad.	7/7/2022 7:32 PM
33	Maybe an exercising area. A lap track for people or bikes. Better play area and the basketball area is under utilized	7/7/2022 7:03 PM
34	Anything would be nice don't think there is anything at this time	7/7/2022 6:55 PM
35	Operational park equipment	7/7/2022 6:52 PM
36	More swings and play equipment with slides	7/7/2022 6:43 PM
37	Clean and safe facilities	7/7/2022 6:26 PM
38	Dna	7/7/2022 6:22 PM
39	Kickball	7/7/2022 6:21 PM
40	Family fun days at the park, possibly kickball events or activities.	7/7/2022 6:08 PM
41	Adult ball games	7/7/2022 6:00 PM
42	More baseball	7/7/2022 5:50 PM
43	Its not about having additional programs its about having a safe and updated place for kids and families to go.	7/7/2022 5:30 PM
44	N/a	7/7/2022 5:18 PM
45	I think just having baseball there is fine. If the courts were updated, basketball might be nice too.	7/7/2022 5:08 PM
46	Not sure, tennis court and basketball courts could be set up again; maybe even pickle ball	7/7/2022 4:54 PM
47	Ball fields updated and park area updated	7/7/2022 4:53 PM
48	Better updated equipment. Perhaps a splash pad in one of our parks.	7/7/2022 4:31 PM
49	Yoga for adults or elderly, replace the tennis court or ball field with a parking lot-there are plenty of other tennis courts in town and plenty of better ball fields, too. Extend the park and add a volleyball court or two.	7/7/2022 3:16 PM
50	Basketball tournaments !! Kickball !	7/7/2022 2:48 PM
51	An actual park and better baseball fields	7/7/2022 2:31 PM
52	Better play area for small kids more police patrol	7/7/2022 2:06 PM
53	Reading in the park for younger children	7/7/2022 2:02 PM
54	I don't know	7/7/2022 1:47 PM
55	The tennis courts could be repurposed as 3 or 4 batting cages. Most people go to the high school or the park by the pool to play tennis. Make this more of just a baseball facility then trying to fit everything in there.	7/7/2022 12:32 PM
56	All of the current things would be amazing if kept up or even redone.	7/7/2022 12:31 PM
57	Turn tennis courts into pickle ball courts.	7/7/2022 12:25 PM
58	Just spruce it up yearly. If the city would work on keeping it up it wouldn't fall in such disrepair	7/7/2022 12:08 PM

14	It needs better play equipment and more of it. We always go over to White Oak school because they have better equipment and more things to do. The park has ball fields and a skate park but needs an upgraded play area for kids with swings and more things to do not just a couple slides. We would love it and use it more if it had better equipment. We would also like pickle ball courts. In that park. They would be used a lot!!!!	7/8/2022 7:24 AM

Q6 What are the weaknesses of West Side Park?

Answered: 41 Skipped: 6

#	RESPONSES	DATE
1	Horrible design regarding the location of ball fields and concession stand/restrooms. Skate park needs to go.	7/11/2022 9:52 AM
2	The lack of monitoring kids at the skate park. I've had to call the police because of kids vaping and harassing other kids trying to use the park. The dirt pile and lack of grass around it. Many weeds throughout the playground area.	7/11/2022 6:59 AM
3	Needs another ball field at the north east corner. Clean up concessions so they can be used. Poor drainage on ball fields. Dugouts need covers for sun protection. Small ball field needs some TLC.	7/10/2022 9:03 AM
4	Park is small and kids are bored quick	7/9/2022 8:32 PM
5	More attention should be given to maintenance, the building and covered patio need work, also trees need attention.	7/9/2022 1:57 PM
6	It is poorly laid out for boys and girls baseball and softball. This area could have easily had (4) full size ball fields to be utilized for all age groups and host tournaments. The concession stand area doesn't even get used and doesn't even face any of the fields	7/9/2022 9:31 AM
7	The bathrooms aren't always open. There should be additional fields and parking. Soccer fields would be nice as well to attract more people.	7/8/2022 4:48 PM
8	Bathrooms/walkways/room to add another field	7/8/2022 10:45 AM
9	The bathroom toilets! Get a splash pad in town! We travel out of town almost everyday! And no basketball hoods! No shade!	7/8/2022 9:34 AM
10	This would be a great place for a splash pad. There's plenty of sunlight. Countless parents drive out of town every day for a park with a splash pad. Many of those splash pads have warmed water as well. It's past time for the city to put a large splash pad with warmed water in. Morris needs to keep pace with the surrounding communities that have splash pads.	7/8/2022 9:06 AM
11	Doesn't have a splash pad. We could use pickle ball courts or sand volleyball instead of a skate park. The skate park is barely ever used. And the kids in the area should have a splash pad.	7/8/2022 8:39 AM
12	Would like to see more landscaping	7/8/2022 8:36 AM
13	No concession stand. Need a splash pad also.	7/8/2022 7:55 AM
14	See above.	7/8/2022 7:24 AM
15	The skate park needs updates	7/8/2022 12:47 AM
16	Needs more places to sit	7/7/2022 11:57 PM
17	The bathrooms are gross. No toilet seats. Often broken. Need to be fixed.	7/7/2022 11:22 PM
18	Parking distance from baseball field when carrying lots of equipment.	7/7/2022 11:15 PM
19	Location	7/7/2022 11:01 PM
20	Need more ball fields, grass needs to be mowed, bathrooms are horrible, need a concision stand.	7/7/2022 10:52 PM
21	None	7/7/2022 10:41 PM
22	Fields Play area Cages	7/7/2022 10:38 PM
23	A couple times I have gone to this park there has been some weird cars / people in the parking	7/7/2022 10:19 PM

	lot and not many people are around. We shouldn't need police to patrol frequently especially kids parks but maybe some watching out for loitering.	
24	The restrooms are dark most of the time. The last ball field needs to be completed.	7/7/2022 9:58 PM
25	Ball fields are far from parking when unloading equipment.	7/7/2022 9:46 PM
26	Needs updated equipment, more educational things for youth to do. Public bathroom	7/7/2022 9:44 PM
27	People drive on the walking trail. Mostly seems to be coaches of ball teams and others think they can drive to the ball fields.	7/7/2022 6:37 PM
28	It's always empty. It would be cool to see attractions there to have kids there more often	7/7/2022 5:55 PM
29	Not enough playground equipment. Not all inclusive	7/7/2022 5:53 PM
30	Needs more stuff for little kids	7/7/2022 5:26 PM
31	No concession for games	7/7/2022 5:00 PM
32	kids should not have bike and scooters in the skate park hitting kids on skateboards. Bathroom to far and usually locked unless ball games, older kids after school smoking pot and using alot of profanity, alot of indecent pda. we visit this park everyday after school and when the high school kids get out it is ridiculous the music they blare, vaping and smoking pot. no police prescence.	7/7/2022 5:00 PM
33	Broken play area equipment	7/7/2022 4:54 PM
34	The playground equipment is pretty limited.	7/7/2022 2:04 PM
35	Not very pretty. A garden of some sort would be nice	7/7/2022 1:49 PM
36	Only one restroom. The ball fields should never face the parking lot, in case of a home run.	7/7/2022 1:12 PM
37	The baseball fields are very plain. Just chain linked fences for dugouts. The fields have no character. Ottawa has nice fields with a lot of character to them. Channahon has nice brick backstops and dugouts. The pinto-mustang fields have shorter fences that are more relative to their size. Joliet has a couple artificial turf infield fields right by memorial park. Our fields look like we needed a field and did put in the bare minimum requirements. There is a little limestone field that could be turned into a nice little field for kids just above the age to play at goodwill.	7/7/2022 12:46 PM
38	There's no shade - need trees! No restrooms. The swings are hung too high - my kids struggle to get on them.	7/7/2022 12:33 PM
39	Poorly planned and designed. Bathrooms are horrible.	7/7/2022 12:13 PM
40	Skate park and ball fields need redone	7/7/2022 12:13 PM
41	The park equipment isn't that great.	7/7/2022 12:00 PM

37	I think the skate park would be cool as a roller hockey rink. The ice rink was a good idea. Many kids like to play hockey. It might be a good spot for it, and maybe become less of a hangout for trouble.	7/7/2022 12:46 PM
